AFFINITY PARTNERS

Reciprocal commitments MPCC / SPORTS AGENTS

Commitments of Affinity Partners "Sports Agents" towards the MPCC :

- Hold a license issued by the UCI and by its national federation if one exists.
- Adhere to the philosophy of the MPCC (promote the image of cycling by fighting against doping, and any form of cheating),
- Do not defend the interests of riders who have been suspended for more than 6 months for doping or who have been the subject of proceedings as defined in the MPCC internal regulations
- Not to use for communications (advertising or other) riders or staff members suspended for doping, or having been the subject of the opening of procedures as defined in the MPCC internal regulations
- Not to hire in the cycling communication staff (public relations, consultants, others) riders suspended for doping or people involved in doping cases, or who have been the subject of proceedings as defined in the MPCC internal regulations.
- Appointment of a referent contact,
- Encouragement to other licensed Sports Agents to support the philosophy of the MPCC,
- Sending a reasoned individual request to the MPCC,
- Payment of a contribution and possibility of additional donations.

MPCC's commitment to affinity partners "Sports Agents" :

- Regular information of the Sports Agents on the activity of the MPCC,
- Sending meeting minutes (especially on the application of rules between teams),
- Studies of the proposals of Sports Agents to give credibility to cycling,
- Invitation to the general meeting without the right to vote on the proposal of the president.
